Mike Whatley moved, Bill Defino seconded, and the Board voted to approve the following request to obtain recertification credit for attending the following conference:

• 2009 WQTC Conference Seattle, WA American Water Works Association (AWWA)

The Board discussed feedback it received from professional organizations and course providers, regarding a proposed basic and continuing education rules revision. A final draft will be compiled and submitted to the board members for review.

After receiving correspondence regarding the water operator class 1 examination, the Board agreed to review the exam content for relevance and accuracy.

Board members present discussed an e-mail received from Secretary of State, Brian Kemp, regarding budget shortfalls and the need to hold meetings via teleconference versus face to face meetings. Teleconferences would limit travel expenses incurred by the state, yet ensure that the necessary business of the Board be conducted to service the professionals it represents.
